

proj\_main\_loop

```
graph LR; A[proj_main_loop] --> B[controller]; B --> C[mouse_output];
```

A flowchart illustrating a sequence of three components. The first component, 'proj\_main\_loop', is a white rectangle with a black border. A blue arrow points from its right side to the second component, 'controller', which is also a white rectangle with a black border. Another blue arrow points from the right side of 'controller' to the third component, 'mouse\_output', which is a gray rectangle with a black border. The components are arranged horizontally from left to right.

controller
